

Light-weight Trendline Tents

Instant sheltering solution for first responders

Our Trendline inflatable tents are designed to provide first responders with a **lightweight and fast-deployment shelter** in crisis situations.

Composed of a rubber frame and a polyester cover, our Trendline tents offer a versatile solution and can be used as a standard shelter or adapted into a decontamination tent with integrated shower lanes (2 or 3 lanes).

Easy to transport and set up, our Trendline tents are also fully washable and bacteria-resistant.

Available Equipment:

- Windows
- Water ballasting beams
- Inner Liner for decontamination
- Partition curtains
- Detachable groundsheet
- Banner with logo

Set up:

5 minutes, 2 people
